ABOUT US

Diverse Supply is a professional supplier of high-quality cleaning materials and hygiene products, serving commercial, industrial, and institutional clients with reliability and consistency.

As our name reflects, we are a diverse solutions provider. In addition to supplying a wide range of cleaning chemicals, consumables, and janitorial materials, we also provide **maintenance and repair services for all types of cleaning equipment.**

We understand that uninterrupted operations are critical for our clients. That is why we do not only deliver products — we support performance. From sourcing dependable cleaning supplies to ensuring your equipment operates efficiently, Diverse Supply acts as a complete support partner for your hygiene needs.

Our commitment is built on:

- ◆ Quality products
- ◆ Competitive pricing
- ◆ Timely delivery
- ◆ Technical support expertise
- ◆ Long-term client relationships

At Diverse Supply, cleanliness is not just a product — it is a responsibility.

Message from the Owner

At Diverse Supply, we believe that cleanliness and operational efficiency are fundamental to every successful organization.

Our journey began with a simple vision — to provide dependable cleaning materials backed by responsive service and technical expertise. Over time, we recognized that our clients needed more than just products; they needed a reliable partner who understands both supply and equipment performance.

Today, Diverse Supply proudly supports businesses by delivering quality cleaning materials while also offering maintenance and repair services for cleaning equipment. Our goal is to ensure that our clients operate smoothly, safely, and without interruption.

We are committed to building long-term relationships based on trust, professionalism, and consistent service excellence.

Thank you for placing your confidence in Diverse Supply. We look forward to serving you.

Kashif Lakhani

OUR MISSION

To deliver reliable cleaning materials and technical support services that help businesses maintain safe, hygienic, and fully operational environments.

We are committed to:

- ◆ Supplying dependable, high-performance cleaning products
- ◆ Providing efficient maintenance and repair services for cleaning equipment
- ◆ Ensuring timely delivery and responsive customer support
- ◆ Building trusted, long-term partnerships with our clients

STRIPPING PADS

Stripping pads are designed to get the surface back to its original condition. They are by nature a heavier denier fiber and may contain a more aggressive grit. ACS Treleoni® pads are specifically designed with a more open weave to permit the chemical to do its job as it is agitated by the pad. Machine speed up to 350 RPM.

Emerald High Performance 73

Our most aggressive stripping pad cuts stripping time significantly.

Ultra-High Performance 88

Extremely durable for tougher stripping jobs.

Black Stripping 72

Long-lasting heavy-duty stripping.

Brown Dry Strip 71

For fast uniform stripping wet or dry.

SCRUBBING/CLEANING PADS

Pads are used for a range of purposes from light-stripping to heavy-duty scrubbing. ACS Treleoni® pads remove heavily soiled areas and most scuff marks prior to recoating. Machine speed up to 350 RPM.

Green Scrubbing/Cleaning 55

Blue Scrubbing/Cleaning 53

BUFFING PADS

For light-cleaning and buffing. ACS Treleoni® buffing pads bring out the shine on floors. They are also used for removing light scuff marks and dirt. Machine speed up to 350 RPM.

Red Conventional Buff 51

Red 40D Light Duty 50

POLISHING PADS

ACS Treleoni® polishing pads bring out the shine on floors with conventional speed equipment. They are also used for removing light scuff marks. Machine speed 175 to 350 RPM for dry polishing buffable finishes.

White Polish 41

For dry polishing or with fine water mist to ensure high gloss.
